Suggestions for making this event the most spectacular **HOLIDAY FUN!**

1. Download a stargazing App like – Star Walk 2, Skyview Free, SkySafari, or Star Chart
2. Find the best view of the night sky from your backyard or any comfortable spot (make sure your Wi-Fi is good-to-go)
3. Bring some yummy hot beverages and festive cookies - Check out the recipe below. It's easy, delicious and kids can help make it!
4. Sit back and relax on a blanket or comfortable chair
5. Bring a small flashlight, glow stick, or flameless candle and join in the singing of *O Little Town of Bethlehem* – lead by the children - at the end of the presentation.
